این توصیه نامه به نفوس آری مهندس جعفر قبری محمدی جهت پذیرش در مقطع دکتری تهیه گردیده است.
اینجا برابط همکاری فنی که عنوان شده در پروژه همکاری گیتی شرکت دل سپردن این دانشمند است. این
مهندس در فعالیتها گیتی این مرکز به عنوان مشاور فنی فعالیت داشته است. طی همکاری که این شرکت با دانشگاه
صنعتی تبریز داشته، این کارفرما متوجه در حوزه همکاری گیتی در ارتباط با این شرکت
و تجربه مدیریت پروژه همکاری بالادستی، این کارفرما در این زمینه در رشته مدیریت قرار دارد. این کارفرما
فقط در کار شناخته شده در این زمینه در آن دانشکده محترم توصیه می کنم.

با احترام

دکتر محمدی خورشیدی

To Whom it May Concerns,

I know Mr. Jafar Ghanbari Mohammadi since offshore upstream operation under the activity of Schlumberger Int. Company inside Iran Market.

He completed different career paths on his own experts from a Field Engineer to his current position as an Account Manager in **Well Services of Iran (Schlumberger Methods)** company.

This recommendation has been prepared based on my interface with his engagement in project framework negotiating, tender document preparation & drafting and contract finalization in different offshore complicated projects, including but not limited to Phase 15 & 16 and Phase 17 & 18 of South Pars field and recent appraisal well of Belal Field for requested services as he complies with sufficient technical and contractual knowledge.

As project manager with field and technical background, his understanding of the contractual and legal framework of Service Contrcats has been exceeded expectaions.

Therefore, he is recommended for the "Oil & Gas Int. Contract Management" course.

Mohammad Mahdi Safdari

To Whom it May Concerns,

I am writing to recommend Mr. Jafar Ghanbari Mohammadi.

He is acting in Well Services of Iran (Schlumberger Methods) as Account Manager of Wireline Services.

He is always look for a diversified career path which challenges him with Technical, legal & Contractual aspects and his International experience in Schlumberger Company always lead him to professional relationships with key customers at multiple levels to ensure maximizing account's revenue and profit for the company by smart sales strategy and active participation in Client Service contracts negotiations & communications by preparing, reviewing and verifying the commercial terms to ensure that the legal, contractual and commercial risks are limited and mitigated.

He is full engagement in the bid process for all Oil & Gas tenders justifying contractual strategy for bids to maximize the return on that contract Preparing tender strategy and commercial proposals and has best management of requested Services in compliance with the contracts policies to ensure Company's risks and exposures are mitigated.

He always manages Contracts claims or disputes with the support to the Legal department whenever necessary by drafting the Commercial T&C's.

He always put a premium on his qualifications and honesty among our team members and he never failed to deliver, therefore, with all due respect to your esteemed university, he is recommending for "Int. Oil & Gas Contract management" course and surely, he will be highlighted person on Intentional Upstream Contracts with his international experience and academic knowledge.

Dr. Samira Gholamdokht
Legal & Contract Manager
